

RICH UHRICH COINS

ANA Newps - Part 1, incl. the 1853-O No Arrows Half Dollar

August 14, 2012

Greetings!

We are proud to announce our acquisition of an 1853-O No Arrows half dollar in PCGS VG-8. The 1853-O NA half is a major rarity with only 4 coins known (35, 8, 8, 6). If you are interested in this coin, please call or email. With a coin of only 4 known, you never know how long you might have to wait for another opportunity to acquire one.

We also have about 40 newps in this issue representing Part 1 of our ANA acquisitions. Part 2 will be released next week. Another highlight was the 1804 dime in PCGS VF-20:

And two great Seated halves, an 1870-CC in PCGS AU-50:

And an 1873 Open 3 half in PCGS AU-58:

All of our coins including the following newps are posted on our website www.richuhrichcoins.com. **If you see any coin(s) of interest, please call (717)533-2935 or (717)579-8238 (cell) or e-mail us at richuhrichcoins@comcast.net to reserve the coin(s) that you want.**

We are also distributing the new book "A Registry of Die Varieties of Reeded Edge Half Dollars" by Dick Graham. Mr. Graham has collected and researched this series for over 15 years, and the book is excellent!

The newps are:

Seated Half Dimes	1850-O Small o G-4	115
